Accommodations

True North Consulting has reserved a block of 10 rooms at the Holiday Inn Montrose at a rate of \$99.00 per night beginning Sunday, January 20, 2019 through Friday, January 25, 2019. The phone number for the Holiday Inn is 970-240-1800. When you call, please mention that you are coming for the True North IST Training Course to ensure the discounted rate.

A variety of hot and cold breakfasts are provided as part of the Holiday Inn package.

Course Qualifies for Continuing Education Units(CEU)

Each attendee will receive a Certificate of Completion for 3.6 Continuing Education Units (CEU) credits to qualify for 36 Professional Development Hours (PDH) needed to fulfill Professional Engineers' continuing education requirements. The credits will be awarded without authorization. It is the attendee's responsibility to keep and present the certificate to any organization that requires the certificate.

Instructors

Ronald C. Lippy
rcl@tnorthconsulting.com
402-493-9562

Mr. Lippy's background encompasses significant expertise with thirty plus years in ISI/IST Coordination and diverse technical experience in nuclear power plants. Ron's focus on strengthening and standardization of Engineering Program positions has advanced nuclear power throughout the entire industry. He currently serves on the ASME/OM Main Committee as Chairman and numerous sub-committees, as well as previous Chairman of the New Reactors OM Code Sub Group. Additionally, Ron is integrally involved in the Inservice Testing Owners Group (ISTOG) and has performed Inservice Testing related assessments and training for the majority of U.S. Nuclear Utilities.

Inservice Testing Training Course Student Feedback

- *I liked the variety of instructional methods, even the examples and discussions. The instructor was very good at explaining the material clearly.*
- *Very thorough training. I liked the practice pump and valve exercises and examples of issues in IST at other plants. Thanks for a good training, I learned a lot!*
- *Excellent course! Overview and then details is a great method. Good feedback on attendee questions.*
- *Very thorough and informative training with many opportunities for discussion.*
- *The instructor was very knowledgeable and able to relate the information to real-world applications. Great instructor that would ensure students understood the material before moving on.*
- *The instructor presented a large amount of information and was very patient with questions. Overall a very good and knowledgeable instructor. I would recommend to other IST Engineers. I have a greater appreciation of how the IST program is governed and administered.*
- *Instructor was well-versed in the Code and dealing with real-life situations associated with the Code and plant operation. His teaching was much more than academic. Classroom OE examples and hypothetical questions were good for learning and understanding.*
- *The location for the training (Montrose) was excellent, and the food furnished was very good. Overall I was very pleased.*
